2022 BAMA Cup Rules

- Best 7 of 11 races. High point total wins.
- Scoring: The scoring system awards points for every race you finish based on your finish position and the number of starters (not finishers). See matrix below.
- DNC=0; DNF=1: A DNF is always worth less than a race finish (DNC=Did Not Start; DNF=Did Not Finish)
- Boat Scoring capped at 8 pts, with all finishing boats from 10th and lower in races of 10 starters or more scoring 2 pts. See scoring for 11 starters below as example
- Points awarded based on points schedule below. Note diminishing points for top scorers for races with 6 or more starters
- Points for multihull regatta based on overall regatta performance
- **To Qualify for the BAMA Cup racers must attempt and score one Ocean Race (DHF or SSS Hal Moon Bay) as part of their point total**
